For all information, including registration fees and course outlines see "News and Events" at: www.vicbiostat.org.au

Places are limited and may fill quickly so register early to avoid disappointment. The "early bird" rate applies until 22/12/14.

ViCBiostat is a Centre of Research Excellence in biostatistics funded by Australia's National Health & Medical Research Council (NHMRC). The Centre is a collaboration between biostatistical researchers at the Murdoch Childrens Research Institute, the Department of Epidemiology & Preventive Medicine at Monash University, and the Centre for Epidemiology & Biostatistics (CEB) at The University of Melbourne.
